Subject: Petarian Convention 2004

Dear Sir:

As salamu alaykum

I would like to take this opportunity to express my utmost gratitude to you for your all out support for the First Convention of Petarians 2004 held at Petaro last week. On behalf of the organizing committees and all the delegates, I would like to extend our utmost appreciation and thanks for this massive gesture on your part, which allowed for making this convention a great success.

We are also most grateful to you for honouring us by your presence on Saturday over lunch and for your words of wisdom during your speech after lunch.

Just for the record, I would like to inform you that the total number of people who attended this convention was over 750, including over 400 Petarian delegates, over 300 cadets of 11th and 12th classes, and around 50 staff members.

I am also attaching a copy of the Declaration approved by the delegates on the last day of the convention for your information.

I shall also make it a point to visit you before the next Board of Governors meeting to apprise you of the deliberations of the members of the Petarian Foundation with regards to disbursement of the funds collected during the convention for the sake improving the standard of teachers at Petaro. We would like to formulate our policies with your approval and guidance, and taking into consideration the needs of the college.

Let me thank you once again personally for your guidance and support. We Petarians are indeed indebted to you.

With Kind Regards,

Kazi Zulkader Siddiqui
